

Callier Center's Response to COVID-19 and Illness Policy

The Callier Center and UT Dallas are closely monitoring the COVID-19 (coronavirus) situation and developments. The health and safety of our patients are of utmost concern. Please be aware of the following policies:

- If you or anyone in your household has traveled out of the country in the last 14 days, we ask that you reschedule your appointment for 2 weeks in the future.
- If you or anyone in your household has experienced fever, upper respiratory symptoms or coughing in the last 5 days, we ask that you reschedule your appointment for 2 weeks in the future.
- If you or anyone in your household has been in contact with someone exhibiting flu-like symptoms, we ask that you reschedule your appointment for two weeks in the future.
- If you or someone in your household has plans to travel outside of the United States, please do not come to an appointment for 14 days after your return. Please call and cancel/reschedule your appointment(s).

For more information related to the UT Dallas response to COVID-19 (coronavirus), please visit <https://www.utdallas.edu/coronavirus/>.

Please be aware that Callier's illness policy states that patients and others who attend appointments must be **fever free without the use of fever reducing medication for 24 hours** before coming to the center, must be **diarrhea free without the use of diarrhea suppressing medication for 24 hours** before coming to the center, and must not come to the center if they have **vomited in the last 24 hours**.

Callier Center has strict infection control policies and procedures that employees must follow.

Thank you for assisting us in maintaining a healthy and safe environment.

To reschedule appointments, call Callier Dallas at 972-883-3030 or Callier Richardson at 972-883-3630.
