Patient Communication Preferences

Please read carefully. The purpose of this document is to protect your privacy.

To protect your privacy and comply with HIPAA (Health Insurance Portability and Accountability Act) regulations, Callier Center wants you to know all the ways we might communicate with you and ensure you understand your right to request communications restrictions. We will say “yes” to all reasonable requests to restrict communication but may still use your information to help improve your care, run our practice, or contact you when necessary. Please see our Notice of Privacy Practices for more information at calliercenter.utdallas.edu.

As a patient of Callier Center, you:

- have access to a secure online patient portal and will be notified by email when you have a new visit summary, document, or message from your provider.
- will be sent appointment reminders via text message.
- may receive voicemail with appointment instructions or for Callier to run our healthcare operations.

You may opt out of any of these communications by selecting the options below.

Secure Access to my Electronic Health Record and Provider Messaging via the Patient Portal

_____ Check here if you do **NOT** want access to your patient portal with secure provider messaging and immediate access to health records and patient documents.

Patient Appointment Reminders via Text Message

Text Messaging is required to receive appointment reminders. Patients may opt-out anytime by responding “stop” to an appointment reminder or,

_____ Check here if you do **NOT** want appointment reminders via text message.

IMPORTANT NOTICE
Fee, Collection & Appointment Policy

Thank you for choosing **UT Dallas Callier Center!** We are committed to providing you with the best possible care.

FEES

I understand that:

- There is a **\$25 service charge** for any check returned by my bank and, once notified, patients will have 10 days to make full payment by cash, credit card, cashier’s check or money order
Failure to comply will result in refusal by the Center to accept future personal checks
- Missed or canceled appointments with less than 24 hours’ notice will be subject to a **\$50 fee**
Insurance does not pay for canceled appointment fees
- If patients require additional provider consultation by phone or email lasting over 10 minutes, and outside of a scheduled appointment time, patients will be billed at a rate of **\$25 per 10-minute increments**.
You will be informed when such charges apply
- Patients arriving late may have to be rescheduled and are subject to the **late cancelation fee**

COLLECTION POLICY

I understand that:

- Payment for all services is required **at the time of service**
- Patients are responsible for payment of outstanding claims **over 90 days old**
If insurance denies payment, you will be required to pay the full balance of your account.
- **Past due** accounts will be referred to a collection agency, and services will be immediately terminated

APPOINTMENT POLICY

I understand that:

- Patients will **not** be seen until all required paperwork is completed
- New patients should arrive **20 minutes before** their scheduled appointment to complete necessary paperwork
- If I have been referred to the Center by an agency, school, or other third party that has agreed to pay for my services, a written referral is required prior to or at the time of my appointment; **otherwise, I am responsible for payment of services.**
- The Center will file insurance claims with commercial insurance companies and Medicaid carriers we are contracted with for services. Some insurance companies require a doctor’s referral and preauthorization which does not guarantee payment.
We strongly recommend that you contact your insurance carrier to verify your personal benefits.
- When possible, we recommend case history paperwork be returned five days prior to the appointment to help your provider plan for your evaluation and request any additional information in advance.

PATIENT ACKNOWLEDGEMENT

I have read and understand the Fee, Collection and Appointment Policy of the UT Dallas Callier Center.

**CALLIER CLINICAL RESEARCH CENTER
CALLIER CENTER RESEARCH PARTICIPATION AND RESEARCH REGISTRY**

The mission of the Callier Center for Communication Disorders is “to transform the lives of those with communication disorders by providing outstanding, leading-edge clinical services; conducting meaningful and innovative basic and applied research into new treatments and technologies; and training the next generation of caring clinical providers and scientists.” As a top clinical, research, and training center, individuals entering the Callier Center clinical programs, child development center, Center for Children and Families, and research laboratories may be invited to participate in research studies.

If contacted, individuals can choose to participate or not participate in any research study. Their services will not be affected whether they do or do not participate. Individuals will be provided with a flyer describing the Callier Clinical Research Center (CCRC), the CCRC Participant Registry, and their Rights as Human Research Participants.

You may also choose to be entered into the CCRC Participant Registry. If so, you will be asked to provide basic information for the CCRC Participant Registry, such as contact information, age, and, if applicable, any speech, language, and/or hearing concerns. A Callier Center researcher, who has a study approved by the Institutional Review Board (IRB), may then contact you to invite you to join a research study. You are not obligated to participate in any study. Choosing not to participate does not affect clinical care, child development services, or any other services you or your family engage in at the Callier Center.

If at any time you would like to be removed from the CCRC Participant Registry or to no longer be contacted for possible study participation, please inform any of your service providers at the Callier Center or the registry team by email: callierresearchregistry@utdallas.edu

Or by telephone: Callier Clinical Research Center, (972) 883-3600
