Patient Communication Preferences

Please read carefully. The purpose of this document is to protect your privacy.

To protect your privacy and comply with HIPAA (Health Insurance Portability and Accountability Act) regulations, Callier Center wants you to know all the ways we might communicate with you and ensure you understand your right to request communications restrictions. We will say "yes" to all reasonable requests to restrict communication but may still use your information to help improve your care, run our practice, or contact you when necessary. Please see our Notice of Privacy Practices for more information at calliercenter.utdallas.edu.

As a patient of Callier Center, you:

- have access to a secure online patient portal and will be notified by email when you have a new visit summary, document, or message from your provider.
- will be sent appointment reminders via text message.
- may receive voicemail with appointment instructions or for Callier to run our healthcare operations.

You may opt out of any of these communications by selecting the options below.

IMPORTANT NOTICE

Fee, Collection & Appointment Policy

Thank you for choosing **UT Dallas Callier Center**! We are committed to providing you with the best possible care.

FEES

I understand that:

- There is a **$25 service charge** for any check returned by my bank and, once notified, patients will have 10 days to make full payment by cash, credit card, cashier's check or money order
  Failure to comply will result in refusal by the Center to accept future personal checks
- Missed or canceled appointments with less than 24 hours' notice will be subject to a **$50 fee**
  Insurance does not pay for canceled appointment fees
- If patients require additional provider consultation by phone or email lasting over 10 minutes, and outside of a scheduled appointment time, patients will be billed at a rate of **$25 per 10-minute increments**.
  You will be informed when such charges apply
- Patients arriving late may have to be rescheduled and are subject to the **late cancelation fee**

COLLECTION POLICY

I understand that:

- Payment for all services is required **at the time of service**
- Patients are responsible for payment of outstanding claims **over 90 days old**
  If insurance denies payment, you will be required to pay the full balance of your account.
- **Past due** accounts will be referred to a collection agency, and services will be immediately terminated

APPOINTMENT POLICY

I understand that:

- Patients will **not** be seen until all required paperwork is completed
- New patients should arrive **20 minutes before** their scheduled appointment to complete necessary paperwork
- If I have been referred to the Center by an agency, school, or other third party that has agreed to pay for my services, a written referral is required prior to or at the time of my appointment; **otherwise, I am responsible for payment of services.**
- The Center will file insurance claims with commercial insurance companies and Medicaid carriers we are contracted with for services. Some insurance companies require a doctor's referral and preauthorization which does not guarantee payment.
  We strongly recommend that you contact your insurance carrier to verify your personal benefits.
- When possible, we recommend case history paperwork be returned five days prior to the appointment to help your provider plan for your evaluation and request any additional information in advance.

PATIENT ACKNOWLEDGEMENT

I have read and understand the Fee, Collection and Appointment Policy of the UT Dallas Callier Center.

CALLIER CLINICAL RESEARCH CENTER
CALLIER CENTER RESEARCH PARTICIPATION AND RESEARCH REGISTRY

The mission of the Callier Center for Communication Disorders is "to transform the lives of those with communication disorders by providing outstanding, leading-edge clinical services; conducting meaningful and innovative basic and applied research into new treatments and technologies; and training the next generation of caring clinical providers and scientists." As a top clinical, research, and training center, individuals entering the Callier Center clinical programs, child development center, Center for Children and Families, and research laboratories may be invited to participate in research studies.

If contacted, individuals can choose to participate or not participate in any research study. Their services will not be affected whether they do or do not participate. Individuals will be provided with a flyer describing the Callier Clinical Research Center (CCRC), the CCRC Participant Registry, and their Rights as Human Research Participants.

You may also choose to be entered into the CCRC Participant Registry. If so, you will be asked to provide basic information for the CCRC Participant Registry, such as contact information, age, and, if applicable, any speech, language, and/or hearing concerns. A Callier Center researcher, who has a study approved by the Institutional Review Board (IRB), may then contact you to invite you to join a research study. You are not obligated to participate in any study. Choosing not to participate does not affect clinical care, child development services, or any other services you or your family engage in at the Callier Center.

If at any time you would like to be removed from the CCRC Participant Registry or to no longer be contacted for possible study participation, please inform any of your service providers at the Callier Center or the registry team by email: callierresearchregistry@utdallas.edu

Or by telephone: Callier Clinical Research Center, (972) 883-3600

SPEECH-LANGUAGE THERAPY AGREEMENT

Thank you for choosing the UT Dallas Callier Center for Communication Disorders. Understanding and using the following information will help you make the most of your services.

What you can expect if you/your child enroll:

- The treatment plan goals will be reviewed with you regularly and you will be given changes in the goals as they occur.
- We will make every effort to begin your appointment on time. The clinician will give you as much advance notice as possible if an appointment needs to be rescheduled.
- The clinician(s) working with you or your child will talk with you briefly at the end of each therapy session. Other discussions that need more time or may not be appropriate for your child to hear will need to happen in a separately scheduled appointment. Thirty minute patient or parent conferences are $75.
- You will be given information regarding the payment for each session before therapy is scheduled. If our therapy fees change, you will be given at least one month's notice.
- We must bill you for phone contacts over 10 minutes at the rate of $37.50 per 15 minutes. Replies to long email messages may require phone contact to be billed in 15 minute units at $37.50.
- Once recommended, you/your child's enrollment in a group therapy program is not secured until an enrollment fee of $75, which is nonrefundable and is not billable to insurance, is paid.

What we expect:

- It is very important to be on time. If you arrive more than 15 minutes late for a group session, your child will not be able to attend the session. Any exception requires prior approval from your clinician. Late arrival for individual therapy may prevent you/your child from being seen for their session.
- Payment is due the day of your appointment, including co-payments.
- A credit card must be on file for therapy services.
- You must keep at least 80% of your therapy appointments per month. If you are unable to fulfill this 80% attendance or if you miss, without canceling, 2 consecutive sessions, it will be necessary to dismiss you from our therapy program.
- If you or your child is sick, we ask that you do not come to the Center. You and/or your child must be free of fever, vomiting and/or diarrhea for at least 24 hours without the use of medication to attend appointments. If you are unable to attend the appointment due to illness, please contact the clinician as soon as possible.
- You must call or email the clinician at least 24 hours before your therapy session to cancel or reschedule an appointment. You will be billed for "no shows" or appointments that are not cancelled 24 hours in advance. Insurance does not pay for missed sessions.
- We would like for you (or a designated, responsible adult) to remain at the Callier Center during your child's therapy. This requirement can be modified on an individual basis by your child's clinician and for certain group programs that meet for longer

periods of time. If an agreement is made that allows you to leave your child at the Center during the session, please be on time to pick them up. A fee of $37.50 will be charged if you are 5 minutes late to pick up your child and an additional $37.50 for each 15 minutes after that. This fee is not billable to insurance and must be paid prior to the next session.

- It is very important that you actively participate in following through with home program assignments and homework activities. This will allow continued progress and carryover of newly learned skills.
- If you/your child wear hearing aids/cochlear implants or use Assistive Technology, we expect you to attend appointments with working equipment. Without working equipment, we are unable to provide therapy services.
- You will keep us updated on any significant events going on at school, home, work, and other places that may be affecting you or your child.

Reasons for Dismissal:
The decision to dismiss you or your child from group therapy services is made not only when you or your child no longer qualify as speech-language impaired, but also takes into account the following:

- The type of the speech-language impairment and its effects on the patient's functioning in their home, school, and community environment.
- The patient has stopped making progress or is not able to use the new skills outside the clinic environment. The clinician may then serve as a consultant to others because your child may be better served in a different therapy setting (i.e., school-based services, home-based services).
- The patient is not willing to continue the work to make improvements. The clinician may then consider a change in service delivery or talk with you about other possible services.
- Following the attendance rules and/or lack of family involvement. Examples include: not following through with the home program activities, having too many absences, failing to show up, late cancellation of appointments, or being late too many times to therapy.

Please feel free to discuss any questions about the above information with your clinician. We value your thoughts about our services and welcome your comments and questions at any time. For cancelations/reschedules please contact the Appointment Desk at 972-883-3030 (Callier-Dallas), 972-883-3630 (Callier-Richardson).

I have read and agree to the above expectations for therapy services for me/my child. I understand that the initial enrollment fee and re-enrollment fee is nonrefundable.

CONSENT FOR TELEHEALTH SERVICES

WHO WE ARE The Clinical Division of the Callier Center for Communication Disorders provides a variety of hearing, speech and language services. It is also a training location for professional education in audiology and speech-language pathology at The University of Texas at Dallas. Services are provided by licensed, certified clinicians in audiology and speech-language pathology with a master's or doctoral degree. All services provided by clinicians-in-training are provided under the supervision of a licensed, certified professional.

CONFIDENTIALITY Patients and their families are assured that their contact with professional clinical staff and clinicians-in-training will remain confidential. Information about evaluation, treatment and current communication will not be disclosed without written authorization, except under situations mandated by law. Please see the UT Dallas Callier Center Notice of Privacy Practices for more information.

CONSENT FOR TREATMENT By signing this form, I authorize my Callier Center provider(s) or his or her designee(s) to provide diagnosis and/or treatment to the patient listed above via telehealth. I understand that the security of electronic communication such as telehealth cannot be guaranteed.

I have read and understood the policies described above. I authorize the Clinical Division of the Callier Center for Communication Disorders to provide evaluation and treatment services via telehealth.
