CCCD# _____

Thank you for choosing the **UT Dallas Callier Center for Communication Disorders**.
We appreciate your trust in our services!

Here's what you can expect when you or your child enroll:

- **Treatment Plan Goals Review:** Regular reviews of treatment plan goals will ensure progress. Adjustments to goals will be communicated as needed.
- **Punctuality:** We strive to start appointments on time. If rescheduling becomes necessary, the clinician will provide advanced notice.
- **Session Discussions:** At the end of each therapy session, the clinician(s) will briefly discuss the session with you. For more in-depth conversations or sensitive topics, separate appointments will be scheduled. Patient or parent conferences are available for a fee.
- **Payment Information:** You will be informed about session fees before scheduling therapy. If there are changes to our therapy fees, you will be notified at least one month in advance.
- **Phone or Electronic Communication:** Phone calls exceeding 10 minutes will be billed per 15 minutes. Replies to lengthy patient portal messages may also require phone contact and follow the same billing structure.
- **Group Therapy Enrollment:** If recommended, enrollment in a group therapy program is secured upon payment of a nonrefundable enrollment fee. Please note that this fee cannot be billed to insurance.

What we expect:

- **Arrival and Timing:** Punctuality is crucial. If you arrive more than 15 minutes late for a group session, your child may not be able to attend. Exceptions require prior approval from your clinician. For individual therapy, late arrival may prevent you or your child from being seen.
- **Payment and Credit Card:** Payment is due on the day of your appointment, including co-payments. A **credit card** must be on file for therapy services.
- **Attendance Requirements:** Maintain at least **80% attendance** for therapy appointments per month. Missing 2 consecutive sessions without canceling 24 hours in advance may result in dismissal from the therapy program.
- **Health Considerations:** If you or your child is **sick**, do not come to the Center. You must be **fever-free**, without vomiting or diarrhea for 24 hours (without medication) to attend appointments. If illness prevents attendance, contact the front office promptly.
- **Cancellation Policy:** Call the front office at least **24 hours before** your therapy session to cancel or reschedule. Failure to do so will result in billing for "no-shows." Insurance does not cover missed sessions.
- **Remaining at the Center:** We prefer that you (or a designated adult) **stay at the Callier Center** during your child's therapy. Exceptions can be made based on individual circumstances or

ACCT # _____

certain group programs. If you leave your child at the Center during the session, be on time for pickup. Late pickup incurs a fee for every 5 minutes beyond the scheduled time. This fee is not billable to insurance and must be paid before the next session.

- **Home Practice:** Actively participating in home program assignments and completing homework activities is crucial. Consistent practice at home reinforces newly learned skills and promotes progress.
- **Equipment Maintenance:** If you or your child wear hearing aids, cochlear implants, or use Assistive Technology, please attend appointments with working equipment. Without functional devices, we cannot provide effective therapy services.
- **Communication and Updates:** Keep us informed about any significant events or changes in your life. Updates could be related to school, including progress, challenges, or adjustments; changes at home, such as family dynamics, routines, or stressors; developments at work that may impact therapy sessions; or any other relevant information affecting you or your child.

Reasons for Dismissal:

The decision to dismiss a patient from therapy services includes consideration of several factors. These include:

- **Type of Speech-Language Impairment:** The clinician evaluates how the impairment affects the patient's functioning in their home, school, and community environments.
- **Progress and Skill Application:** If the patient has ceased making progress or cannot apply new skills outside the clinic, the clinician may transition to a consultative role. In such cases, the patient might benefit from a different therapy setting, such as school-based or home-based services.
- **Patient Participation:** If the patient is unwilling to continue working on improvements, the clinician may explore alternative service delivery options or discuss other potential services.
- **Attendance and Family Involvement:** Adherence to attendance rules and family involvement is crucial. Examples of concerns include not following through with home program activities, excessive absences, late cancellations, or repeated tardiness to therapy sessions.

Please feel free to discuss any questions about this information with your clinician. We value your thoughts about our services and welcome your comments and questions at any time.

I have read and agree to abide by the expectations for therapy services. I understand the initial enrollment fee and re-enrollment fee are nonrefundable.
